This form should be signed by the shareholder/s. In the case of a joint shareholding, at least one joint shareholder should sign (on behalf of all joint shareholders) and if different joint shareholders purport to appoint different proxies, the proxy appointed by the first named joint shareholder will prevail. If signed by a shareholder's attorney, the power of attorney must have been previously noted by Computershare or a certified copy must be attached to this form. If executed by a company, the form must be executed in accordance with the company's constitution and the *Companies Act 1993*.

Any proxy appointment should be sent so as to be received by Computershare at least 48 hours prior to a relevant meeting.

Should your Standing Proxy not attend the Meeting, you will be deemed to have appointed the Chairperson of the Meeting to act as your discretionary proxy (subject to any applicable voting restrictions under the NZX Main Board Listing Rules). If you lodge a proxy form for the Issuer or attend a particular meeting in person your standing proxy will be revoked for that meeting only.

This standing proxy appointment only applies to the CSN shown on this form. If your CSN changes for any reason, this appointment will not carry across to the new CSN.

To revoke this Standing Proxy for all meetings, you will need to do so in writing. Any notification revoking this Standing Proxy should be signed by the shareholder/s and be received by Computershare at least 48 hours prior to a relevant meeting.
